A2LA is among the largest and most trusted accreditation organizations in the US. We are a non-profit, non-governmental public service membership society dedicated to the formal recognition of competent testing and calibration laboratories. Learn more at [A2LA.org](https://www.a2la.org).

A2LA now offers comprehensive assessment services on behalf of the Florida Department of Health. By partnering with Wade Consulting & Solutions we have expanded our pool of experienced assessors and are able to offer assessment services to labs of all sizes with improved scheduling flexibility. For labs already accredited to ISO/IEC 17025:2017, we can also provide quotes for a joint assessment.

A2LA is authorized by the Florida Department of Health to assess laboratories under their NELAP program.
