

ABOUT US

Labtopia (EM2 Management Solutions, Inc. and EM2 Solutions, Inc.) is a woman owned small business. The firm is a quality assurance/quality control solutions company based in Houston, TX. Labtopia's certified assessors have a deep understanding of regulatory requirements and serve not only as auditors to multiple agencies but also as advisors to hundreds of organizations world-wide.

Labtopia's extensive knowledge of quality, regulatory, and operational requirements is incorporated into all four of Labtopia's divisions including quality consulting, staffing, training, and Laboratory Information Management System (LIMS) implementation projects.

SOLUTIONS

Labtopia works with businesses to improve operational performance by executing quality management systems based on ISO, FDA, EPA, and TNI standards and industry best practices. Labtopia's highly skilled team of industry experts provides consultative services such as gap assessments, auditing, procedure writing, validation, training and process improvements. The Labtopia Team members are subject matter experts and have successfully assisted over 400 organizations with quality management initiatives. Hence, collaboration with Labtopia's Team includes working with industry professionals that are knowledgeable about operations and requirements within regulated industries.

INFORMATIX

Labtopia Informatix provides our clients with domain expertise in the deployment of systems subject to ISO, FDA, EPA, NELAC/TNI compliance. Within Labtopia's Informatix division, our services include Project Management support, Requirements Development, Business Process Mapping, Vendor Selection, LIMS Configuration and Implementation. Labtopia LIMS solutions include traditional on-premise, hosted/subsription LIMS solutions, and customer portals for status updates and report delivery.

STAFFING

Labtopia's Staffing division works with businesses to assist in personnel management by offering staffing and recruiting services for contract, temporary, temporary to direct and direct hire positions. Labtopia's team has a unique combination of industry know-how and translation of those needs into selection of the most qualified candidates. Labtopia Staffing provides an exquisite benefits package to temp workers including health insurance, paid time off, and paid holidays.

TRAINING

Labtopia's Training division provides our clients with fully customizable technical and soft skills curricula proven to both improve and empower staff. Our multifaceted approach to continuing education helps your staff gain unique skills and consistent performance. Our trainers have technical and scientific backgrounds and understand the issues and challenges faced in your unique environment. Classes offered on-site, online, or in the Labtopia Classroom including: ISO 9001, ISO 17025, ISO 14001/RC 14001, NELAP, GMP/GLP, GC, HAACP & SQF.
