Dear FSEA Member/Supporter:

You are invited to attend the Florida Society of Environmental Analysts' 2021 Fall Conference. The conference is scheduled **IN-PERSON** October 20-22, 2021 at the Plaza Resort & Spa located at 600 N Atlantic Ave., Daytona Beach, FL 32118. This meeting promises to be both informative and beneficial to all field samplers, operators, analysts and managers in the environmental field. Come join us for an opportunity to network and exchange ideas and information. **We will be following CDC guidelines and will have plenty of room for social distancing. Wrist bands (green, yellow and red) will be available to notify others of your social distancing preference - red means I'll wave to you from a safe distance, yellow means I'm okay with an elbow bump and green means I'm okay with handshakes/hugs.**

Not able to attend in person? We will be offering recordings of our sessions after the conclusion of the conference. The recordings will be available as a separate event registration on our website with a la carte options.

For hotel accommodations, the FSEA room rate is \$139/night + tax for a sunset view or \$159/night + tax for an ocean view.
